***The Italian Cultural Center of Western Massachusetts, Inc.***

is a local, non-profit organization whose mission is to promote Italian culture, traditions, heritage and the Italian language, through the sponsoring of social, culinary, and educational events, and to foster appreciation and respect in the community for the rich contributions that Italians have made locally and throughout the world.

Since its inception in 1985, the ICC has given out more than \$200,000 in scholarships to worthy high school seniors of Italian descent pursuing higher education.

In the past nine years the ICC has provided Italian language instruction to 1948 adults and 716 children. The ICC has also sponsored cultural events, dinners and cooking classes.

The Italian Cultural Center is creating a solid foundation for the future, and our success will allow us to plan for new and better ways to spread knowledge and appreciation of Italian heritage in all its facets.
